CLASS SPECIFICATION

AIRPORT PUBLIC SAFETY MANAGER

FLSA STATUS:

Exempt

CLASS SUMMARY:

The Airport Public Safety Manager is the second level in a two level Airport Public Safety series. Incumbent is responsible for managing, planning, and organizing law enforcement operations and aviation security functions and overseeing aircraft rescue and firefighting operations for the Airport. Incumbent is also responsible for Airport-related emergencies, managing the operation and maintenance of the Airport Communications center, fire and security apparatus and coordinating a comprehensive security inspection program.

The Airport Public Safety Manager is distinguished from the Airport Public Safety Supervisor by its responsibility for managing the full scope of public safety operations and aviation security functions for the Airport Department.
